About This Game

ReThink 2 is a Puzzle Game in a futuristic setting, that features a variety of Puzzles that utilize Lasers and the behavior of light and it's colors.

Use new gameplay mechanics to puzzle your way through the game's beautiful world.

Created completely from scratch, based on Feedback, ReThink 2 features:

- 40+ completely new Puzzles
- Enhanced Gameplay
- Improved performance
- Improved Visuals
- Reworked Sound
- And much more

Your voice matters:

Feedback from players about the other games was taken into consideration while making this game.
In addition to the new gameplay features, game mechanics from the first game were removed or enhanced based on how well they were received by the players.

Your feedback about this game will be heard, too.
